2010 Strategic Plan

SAWMA Objectives

To promote and increase awareness of wound management by:

- Ensuring a strong governance framework
- Developing and maintaining collaborative relationships with health professionals, professional bodies and key organisations/groups
- Promoting contemporary wound management
- Promoting evidence based practice, education and research
- Providing a forum for the dissemination of information to health professionals

Key outcomes planned for 2010

- Promote and maintain multidisciplinary committee representation
- Develop by-laws to support the revised SAWMA constitution
- Review the format of committee meeting to ensure optimal efficiency, productivity and collegiality
- Maintain strong links with AWMA
- Participate in AWMA Structure Review
- Inform relevant external bodies and key groups of SAWMA and current issues related to wound management
- Develop and maintain links with like professional bodies and organisations
- Develop formal contacts with major service providers and/or groups not represented on the SAWMA committee
- Develop an annual education calendar that delivers relevant, useful information
- Participate in Wound Awareness Week
- Raise awareness of SAWMA and contemporary practice in regional areas
- Promote the scholarships
- Participate actively in AWMA initiatives including:
 - Development of Clinical Practice Guidelines for Venous Leg Ulcers
 - Review of the Clinical Practice Guidelines for the Prediction and Prevention of pressure ulcers
 - Development of position documents as required
- Explore new strategies to disseminate key publications, resources and information
- Maintain and expand the web site

Strategies have been developed for each key outcome and progress is regularly reviewed.

The SAWMA Committee hopes this Strategic Plan will assist members to understand the scope and activities of SAWMA.
